SUBJECT: LDO amendment – Off-Street Parking and Loading and Bicycle Parking

The proposed amendment prohibits parked automobiles from blocking sidewalks or right-of-ways. This amendment will not affect motorists who are parked in a legal front yard parking spot within his or her property line.

Automobiles parked in the sidewalk or so as to extend into the right-of-way pose a public safety hazard to pedestrians, especially children and persons with mobility challenges, who must make a difficult crossing behind a parked car and risk being struck by a careless driver. This amendment will prohibit such parking patterns, keeping pedestrians on the sidewalk safe.

This amendment includes fees for motorists violating this policy of \$250 per day for the first offense and \$500 per day for subsequent offenses. The City's Zoning Officer will enforce this policy.
